

ST MICHAEL'S

The aim of the Club is to support a wide range of projects essential for the smooth running of St. Michael's school. These projects include:

- providing funds for the school mini bus;
- assisting with the costs of maintenance and enhancing the appearance of the school both internally and externally; and
- other worthwhile initiatives in support of the school.

C L U B

The ODDS are better than the LOTTERY!

Every month, a minimum of 40% of the total subscriptions is paid out to members. The remaining proceeds go into the project fund to support the school. With minimal administration expenses, this is a very effective way of raising money.

The monthly subscription is £10. The Club has been in existence in its current form since November 2009. Up to December 2015, the gross funds were £70,000 approx, with £33,500 (48% approx.) paid out in prizes.

Remember

The more people who join the scheme the more support can be given to the school and the greater the Cash Prize Fund. So why not try to persuade a friend to join as well?

Please

Give your support to the school by becoming a member and entering this exciting draw every month. Help support the essential work of the Parents Association AND give yourself an opportunity to win a substantial monthly cash prize!

THE MONTHLY PRIZES

Four
runner-up
prizes of
£50

The monthly
prizes
are currently

Yes I would like to join the 200 Club and pay by monthly standing order

(Please complete the mandate form opposite)

To cut down on administration and costs, it is preferable if you pay by monthly standing order. However, you may choose to pay by one cheque covering 12 consecutive months. Please enclose a cheque payable to the 'St Michael's 200 Club' for the amount of £120. Your membership will commence the first draw after your cheque has cleared

Now simply fill in your contact details below so we can tell you when you have won and hand it in to the school office for the attention of the 200 Club Committee
