"An outstandingly effective School" Ofsted

Open Letter to The Parents' Association

Thank you for the recent donation of £22,000. As you know schools are facing a difficult financial climate so they have to rely even more on the generosity of parents and the work of the Parents' Association. In this case we were able to put the money to the following projects:

- Equipping the new Music multi media suite with an Apple Mac network (£17,000)
- Contributing to the recent upgrade of phase 1 of the School's ICT infrastructure at a total cost of £45,000 (£5,000)

These items of expenditure will benefit every pupil in the school for several years to come so your donation represents an invaluable investment in the current and future quality of teaching and learning at St. Michael's. In order to maintain the momentum of the School's ICT strategy I would hope that the P.A. will be able to support the School with similar donations in the immediate future.

May I also take this opportunity of thanking everyone who serves on the PA and has supported their activities. I hope that you will be able to see that their work is an essential element in helping St. Michael's to improve the quality of education that it is able to provide for our pupils.

Yours faithfully,
