ANTI-BULLYING POLICY

SOME GUIDELINES AND INFORMATION THAT MAY HELP

Introduction

All children and young people have the right to go about their daily lives without the fear of being threatened, assaulted or harassed. No one should underestimate the impact that bullying can have on a person's life. It can cause high levels of distress, affecting young people's well-being, behaviour, academic and social development right through into adulthood.

At St Michael's we are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere free from oppression and abuse. Bullying is an anti social behaviour and affects everyone. All types of bullying are unacceptable at our school and **will not** be tolerated. All pupils should feel able to tell and when bullying behaviour is brought to our attention, prompt and effective action will be taken. We are a **TELLING** school. This means that **anyone** who is aware of any type of bullying that is taking place is expected to tell a member of staff immediately.

What Is Bullying?

"Bullying behaviour abuses an imbalance of power to repeatedly and intentionally cause emotional or physical harm to another person or group of people. Isolated instances of hurtful behaviour, teasing or arguments between individuals would not be seen as bullying" (Torfaen definition 2008)

Bullying generally takes one of four forms:

- Indirect being unfriendly, spreading rumours, excluding, tormenting (e.g. hiding bags or books)
- Physical pushing, kicking, hitting, punching, slapping or any form of violence
- Verbal name-calling, teasing, threats, sarcasm

- **Cyber** All areas of internet misuse, such as nasty and/or threatening emails, misuse of blogs, gaming websites, internet chat rooms and instant messaging
Mobile threats by text messaging & calls
Misuse of associated technology , i.e. camera and video facilities

Although not an exhaustive list, common examples of bullying include:

- Racial bullying
- Homophobic bullying
- Bullying based on disability, ability, gender, appearance or circumstance

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be bullied. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported
- Bullying will not be tolerated

Implementation

Schools

The following steps may be taken when dealing with incidents:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached
- A clear and precise account of the incident will be recorded and given to the Head of Key Stage who will report the incident to the Headteacher
- The Headteacher will ensure that all concerned are interviewed and will record the incident
- Form tutors will be kept informed and if it persists the Headteacher will advise the appropriate subject teachers
- Parents will be kept informed once the School has fully investigated the allegation.
- School sanctions will be used as appropriate and in consultation with all parties concerned • If necessary and appropriate, police will be consulted

Pupils

Pupils who have been bullied will be supported by:

- Offering an immediate opportunity to discuss the experience with a form tutor or a member of staff of their choice
- Reassuring the pupil
- Offering continuous support
- Restoring self-esteem and confidence

Pupils who have bullied will be helped by:

- Discussing what happened
- Discovering why the pupil became involved
- Establishing the wrong doing and the need to change
- Informing parents or guardians to help change the attitude and behaviour of the child

The following disciplinary steps can be taken:

- Official warnings to cease offending
- Detention
- Exclusion from certain areas of school premises
- One day of isolated study (removal from lessons)
- Minor fixed-term exclusion
- Major fixed-term exclusion
- Permanent exclusion

Within the curriculum the school will raise the awareness of the nature of bullying through inclusion in PSHE, form tutorial time, assemblies and subject areas, as appropriate, in an attempt to eradicate such behaviour.

Monitoring, evaluation and review

The school will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.

Prevention

We will use some or all of the following to help raise awareness of and prevent bullying. As and when appropriate, these may include:

- Writing and implementing a set of school rules
- Signing a behaviour contract
- Using Art, Drama or Music, RE and assemblies to reinforce awareness
- Reading stories about bullying or having them read to a class or assembly
- Having regular discussions about bullying and why it matters • Setting up and sustaining a Student Support Scheme
