

A-Level Preparation into the Sixth Form 2023

French

Individual research

Learning a language is not just about learning vocabulary and grammar, it is also about the whole cultural experience. Therefore, in order to give you a better cultural knowledge of your language and also develop your independent study skills, you will have to create a scrapbook over the summer holiday.

1. First research and choose 2 **authentic** documents or articles, films, documentaries, website, etc...for each of these AQA topics/subtopics in A Level. You will have to select a total of 14 documents on:
 - The changing nature of family
 - the cyber society
 - the notion of patrimoine in French culture
 - francophone Cinema
 - Francophone music
 - Charities in France
 - Integration in France

2. Then create a portfolio/scrapbook including:
 - The document itself or a photo/photocopy of the document.
 - The list of the vocabulary you had to search.
 - An in depth summary IN ENGLISH of the document, film, etc... and what you have learnt from it.

Study of one film at A Level

As part of the new AQA specifications you will be studying at A Level the film "La Haine" by Mathieu Kassovitz. We strongly advice you to buy a copy of the movie and to watch it during the summer holidays.

Grammar

You will find on the St. Michael's website a GRAMMAR self marking revision booklet. You are highly advised to work through it over the holidays as some of the grammar points treated will not be revised in Yr 12
