I witness parents stopping dangerously on the corner or on zig zag lines regularly. Sadly, we have had complaints from St Alban's Church regarding parents parking across their car park and being rude to the Parish Secretary. Other neighbours cannot get cars in or out of their driveways. This is a Catholic School which means that our community should be setting an example of consideration and goodwill to others. What sort of behaviour are you modelling for your children?</p> <p>I would like to thank those parents who routinely park further from the school with the safety of their children and the consideration of residents in mind.
