Welcome to the March 2023 edition of the STM Sports News.

These newsletters will be released after every half term to update you on all the incredible news and achievements!

NOTICES

After the Easter holidays, we will be moving onto our summer sports in lessons and clubs.

This means that all extracurricular clubs will change.

Clubs will start w/c 24th April.

Further info about clubs will be emailed to parents after half term.

IT'S COMING HOME

We owe a HUGE congratulations to the year 7 footballers who have had an incredibly successful season!

The year 7 students cruised through every match that they played being unbeaten throughout the season. They made it to the league play offs and the Borough cup finals!

All students performed brilliantly and they secured 3rd in the league play offs and although they were beaten by Totteridge Academy in the Borough cup finals, they finished second overall.

The PE department are incredibly impressed with everyone's commitment and work ethic this season. Well done and thank you to all students who played in the matches and we look forward to seeing more next season.

THE BLACK TEAM 'RAIN' SUPREME

Through the wind, rain and crowds of people, we watched the staff of STM take to the courts and demonstrate their netball flair and ability.

We saw some brilliant interceptions from Miss McKibbin and Mrs Hamilton, some great attacking play and passes from Fr Jean and some brilliant movement down the court from Mr Ferry.

The black team were triumphant, winning 6-0 thanks to top goal scorer Miss Francis who received some excellent passes into the circle from Mr Deo and Mr McCraith.

We would like to thank the head team for organising such a brilliant event and raising an amazing £330 for CAFOD.

Well done and Happy St Patrick's Day to you all.

SPORTING SUCCESS

Brilliant determination and skill was shown at the u15 indoor cricket tournament on the 2nd February. The year 9 and 10 girls travelled to William Perkins School in Greenford to take on three other schools.

Unbelievable skill was demonstrated by every student on the day. Across the three games, Rhiannon and Emilia each managed to accumulate 3 wickets and caught a batter out. Bea caught, stumped and bowled a wicket as well as Faye and Charlotte both catching and stumping batters out.

All students pulled together and helped to encourage each other throughout every game. A team with great potential and we look forward to getting this team together again for the cricket season.

Our Year 7 Netballers were so close to getting through to the semi finals of the Barnet schools' netball tournament, narrowly missing out by 1 point in their group.

All students showed great effort and skill in all three games they played.

For the first time in the history of St. Michael's, the school has fielded a boys' football team. With boys joining our school in the sixth form, we are immensely proud of the Year 12s for setting up and organising the team which played its first fixture against Woodhouse College on 26th January. Lead by Mr Ferry, we are looking forward to the team playing against more sixth forms and going from strength to strength!

Some great shots from our basketball and table tennis lunchtime clubs.

Well done to the year 9 netball team who have finished the netball season on a high after beating both The Compton (9-2) and Friern Barnet (13-11)! Some brilliant displays of skill, teamwork and respect from all players involved. Well done to you all!

On Thursday 9th March, some Year 12 and Year 10 girls took on Woodhouse college in a netball match. We had a few training sessions together and felt good about how we were playing but entered the court with respect for our opponents.

We all played amazingly and won the match 31-9, and our wonderful player of the match was Nina Franchi. We hope to play together again soon!

A special mention to our Year 10 players who came along, Rebekah Aina, Isabella Chacksfield, Chinchin Anyaegbu and Charlotte Reynaert.

By Grace and Chanel (Year 12)

Well done to the year 7 students who travelled to the Compton School to take part in a football festival with numerous schools from around Barnet.

This was an opportunity for the students to develop their skill in competitive match play.

All students demonstrated grit and determination through the tournament.

Well done to you all.

Well done to the Year 10 netball team who got through to the league cup finals on Tuesday 14th March.

The team took on Ashmole, Henrietta Barnett and Mill Hill County.

The team were triumphant when facing Mill Hill County, but sadly missed out on a victory against Ashmole and Henrietta Barnett by losing by one goal in each game.

The students came 3rd overall in Barnet and demonstrated a great competitive attitude throughout.

The team have fought well throughout the season and the PE department are extremely proud of how far they have come! Well done to all students that have contributed to this team's success.

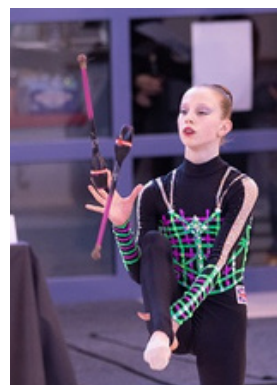

FROM RIBBON TO RHYTHM.

We would like to say a huge congratulations to Alexandra in year 9 for her performances in an international rhythmic gymnastics tournament - The Elegance Cup 2023.

She competed against a very strong group of girls representing a range of countries in rhythmic gymnastics.

Alexandra achieved first place with her club's routine and third overall out of 26 gymnasts.

Well done Alexandra for this great achievement and good luck in future competitions!

COME AND LET US KNOW OF ANY OF YOUR SPORTING ACHIEVEMENTS!
